

Position Description

Engineering Manager – Tampa Office

Summary

Netsco is seeking an experienced Marine Project Manager with a Marine Engineering and/or Naval Architecture background to join its team of professionals in a leadership position. Netsco is an established and growing Naval Architecture and Marine Engineering firm that provides complete ship, tug, and barge designs of all types; from concept through actual construction, and is a leader in marine environmental solutions; such as ballast water treatment systems, exhaust gas scrubbers, and the use of alternative fuels, (LNG, CNG) among others.

Essential responsibilities

- Manage and direct group of experienced engineers and designers in our Tampa office.
- Work in a leadership role with other senior management and business development personnel in defining project scope.
- Assign resources to projects, and manage the day to day technical personnel assigned to the Tampa office.
- Manage project budget.
- Interface with Clients and Classification Societies, and other Regulatory agencies.

Candidate Basic Qualification requirements

- A Bachelor of Science (BS) degree in mechanical engineering, marine engineering/naval architecture or a relevant engineering field of study preferred; or comparable practical experience.
- Ten (10) to fifteen (15) years of relevant work experience required; As a vessel owner, shipyard, classification society, or engineering and consulting, or combination thereof.
- Minimum five (5) years of Project Management experience in marine projects.

Additional Candidate Qualifications and Competency

- Experience with Marine Systems design such as main propulsion, ballast systems and ballast water treatment, cargo systems, LNG fuel systems, scrubbers, among others.
- Experience with marine Regulations, such as USCG, IMO, and Classification Societies
- Demonstrated proficiency with computers, especially Microsoft Office Suite.
- Excellent written and verbal communication skills.
- Ability to balance corporate, team and individual responsibilities.
- Short term and short notice travel from time to time, less than 5%.

Netsco Offers

In addition to a competitive salary, Netsco offers a wide range of benefits including medical, dental, vision, 401(k), paid vacations, term life insurance, and a very competitive bonus plan.

Qualified candidates please apply through our website <http://www.netsco.us/about-us/careers> or via e-mail by using our e-mail fulltime@netsco.us.
